Surface Preparation

A. Aircraft Remover

- Fastest acting remover on the market
- Shop's choice for stripping multiple layers

QAR343 Quart (6/case)

GAR343 Gallon (2/case)

CAR343 5 Gallon

B. Aircraft Remover Aerosol

- Fastest acting remover on the market
- Shop's choice for stripping multiple layers
- Perfect for smaller panel repairs
- More controlled application

EAR322 18 oz Aerosol (4/case)

C. Low Odor Aircraft Remover

- Same performance as our original Aircraft Remover
- Heavy-bodied formula offers higher build, better coverage and stays active longer
- Excellent vertical cling

QAR777 Quart (4/case)

GAR777 Gallon (2/case)

CAR777 5 Gallon

D. Auto Strip

- Fast acting
- Removes automotive finishes from metal surfaces
- Economical price for DIY

QFA334 Quart (6/case)

Clear Coat Removal

F. Peeler

Base Coat/Clear Coat Remover

- Pops factory delams and faulty base/clear finishes in less than 60 seconds
- Completely dries to the touch in minutes

EFS459 18 oz Aerosol (4/case)

Decal & Adhesive Removal

G. Aircraft Decal & Adhesive Remover

- Removes both adhesives and decals with just one product
- Formulated to stay wet longer for use on large decals
- Excellent vertical cling
- Will not harm cured OEM paint finishes

EAD908 14.5 oz Aerosol (12/case)

Surface Preparation

Rust Removal/Conversion

Wax & Grease Removal

Sanding Liquid

A. Rust Converter

- Turns rust to sandable, paintable black primer
- For use on all iron and steel surfaces
- Forms a vapor barrier against moisture to help prevent rusting

WRC22 8 oz (4/case)

ERC22 10.25 oz Aerosol (4/case)

B. Rust Remover - Jellied

- Quickly removes surface rust, cleans to bare metal in minutes
- Pink jellied formula provides excellent vertical hold

WRK37 8 oz (4/case)

C. Prep-All Auto Prep

- General purpose wax and grease remover for use prior to sanding and priming
- Effectively removes wax, grease, tar, tree sap and road film
- Not for sale in California

OSW362 Quart (3/case)

GSW362 Gallon (4/case)

D. Prep-All Auto Prep Aerosol

- General purpose wax and grease remover for use prior to sanding and priming
- Effectively removes wax, grease, tar, tree sap and road film
- Easy to direct to panel application that wets out nicely

▪ Not for sale in California

ESW362 18 oz Aerosol (6/case)

E. Hold Tite Sanding Liquid

- Cleans and preps hard-to-reach areas without scuffing or sanding

GSL500 Gallon (4/case)

Paint Adhesion

A. Bulldog Bond*Flex*Tie Coat

- Makes paint stick to any clean surface
- Provides adhesion to metals, rubber, fiberglass and all type plastics including TPO and polypropylene
- Superior long-term flex agent
- Can be used for interior and exterior applications
- Fills 320 grit sand scratches

QTP0123 Quart (6/case)

PTP0123 Pint (12/case)

GTP0123 Gallon (4/case)

B. Bulldog Aerosol Adhesion Promoter

- Makes paint stick to any clean surface
- Provides adhesion to metals, rubber, fiberglass and all type plastics including TPO and polypropylene
- Superior long-term flex agent
- Can be used for interior and exterior applications
- Fills 320 grit sand scratches
- More controlled application - new valve

ETP0123 12 oz Aerosol (4/case)

C. Bulldog Black Adhesion Promoter

- Provides the same tough durable adhesive coating as the original Bulldog, but in a deep black finish
- Makes paint stick to any clean surface
- Provides adhesion to metals, rubber, fiberglass and all type plastics including TPO and polypropylene
- Superior long-term flex agent
- Can be used for interior and exterior applications
- Fills 320 grit sand scratches

QBTP0123 Quart (6/case)

PBTP0123 Pint (12/case)

GBTP0123 Gallon (4/case)

EBTP0123 Aerosol (4/case)

D. Bulldog Flexible Bumper Paint Stripper

- Fast acting
- Strips factory and aftermarket finishes from most plastic parts
- Excellent vertical cling

EUP367 18 oz Aerosol (4/case)

E. Sticker Shock

- Removes bumper stickers quickly and easily
- Works in minutes

EBS317 6 oz (12/case)

Surface Preparation

Fiberglass

A

Multiple Surfaces

B

C

Glass Cleaner

D

E

Paint Booth

A. Fiberglass Paint Stripper

- Special formula for removal of finishes from fiberglass
 - Excellent for stripping paint from fiberglass on cars, trucks and boats
 - Works on most urethane-type marine finishes
- GAF354** Gallon (4/case)

B. Gum & Adhesive Remover

- Works great on gum, decals, grease and more
- EZI303.1** 6 oz Aerosol (12/case)

C. Graffiti Remover

- Removes graffiti from unpainted wood, concrete, masonry and metal surfaces
 - Washes off with water
- EGA166** 18 oz Aerosol (6/case)

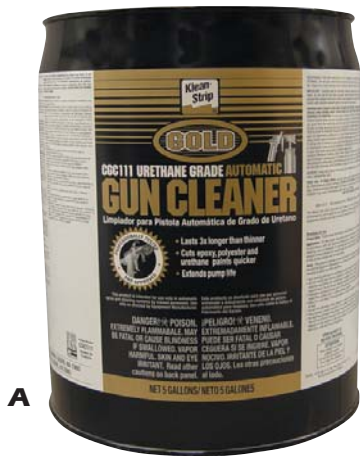

D. Professional Glass Cleaner

- Quick foaming action
 - Excellent vertical cling
 - Streak-free fast evaporating formula
 - Removes paint overspray
 - Light, fresh scent
- E39399** 19 oz (4/case)

E. Mask & Peel Spray Booth Coating

- Bright white for maximum booth visibility
 - Peelable coating for fast, no-mess cleanup
 - Applies easily, dries fast
- CMP229** 4.75 Gallon

Spray Gun Cleaners

A

B

C

D

Parts Cleaner

All Purpose Cleaner

E

A. Gun Cleaner

- High solvency urethane grade solvent
- Lasts 2 to 3 times longer than low end thinners
- Prevents gelling and hardening of paint
- Extends pump life
- Reduces waste removal cost

CGC111 5 Gallon

B. Gun Wash Booster

- Add to recycled and wash thinners to clean better and last longer
- Boosts strength by up to 25%
- Prevents gelling and hardening of paint

QCB112 Quart (6/case)

C. Spray Gun Kleaner

- Cleans hard, dried paint build-up from metal spray equipment
- Keeps spray equipment in top condition
- The Pro's choice for restoring spray guns

GSG14 Gallon (4/case)

ESG14 4 G Kit

CSG14 5 Gallon

D. Speedclene

- Quickly removes the toughest baked-on grime and carbon deposits
- Ideal for automotive transmission parts, diesel engine parts, small engine parts, and industrial engine parts
- Contains hydro-seal to prevent solvent evaporation

C73 5 Gallon

E. Wipe Away

- Fast removal of stickers, grease, tree sap, tar, adhesive and more
- Works on multiple surfaces
- For indoor and outdoor use
- Maximum strength
- Pleasant citrus scent
- Not for sale in California

P73813 Pint (4/case)

Thinners/ Cleaners

A

B

C

D

E

F

G

A. Paint Thinner (Metal)

- Thins oil-based paint and varnish
- 100% pure mineral spirits
- Multi-purpose degreaser

OPT720 Quart (3/case)

B. Lacquer Thinner

- 100% Virgin Thinner
- Medium dry, primer grade
- Provides excellent leveling and gloss with lacquers and primers

OLW202 Quart (3/case)

GLW202 Gallon (2/case)

CLW202 5 Gallon

C. Fast Thinner

- 100% Virgin Thinner
- Fast dry, general purpose

GLW719 Gallon (2/case)

CLW719 5 Gallon

DLW719 53 Gallon

D. Acetone

- Fast evaporating solvent
- Use as a thinner, cleaner or remover for fresh resin, epoxy, vinyl, lacquer and adhesives
- VOC compliant

OAC718 Quart (3/case)

GAC718 Gallon (2/case)

CAC18 5 Gallon

DAC18 55 Gallon Drum

E. Paint Thinner (Metal)

GKPT94002P Gallon (4/case)

CKPT94402 5 Gallon

F. Paint Thinner (Plastic)

GKPT94400 Gallon (4/case)

EKPT94401 2.5 Gallon (2/case)

G. Odorless Mineral Spirits

- Premium alternative to paint thinner
- Odorless and 100% pure
- Great cleaner and degreaser

OKSP94005 Quart (6/case)

GKSP94006 Gallon (4/case)

A. M.E.K. Methyl Ethyl Ketone

- Solvent characteristics similar to Acetone, with slower evaporation rate and a lower moisture content
- Specialty cleaner and thinner
- Urethane grade

QME71 Quart (6/case)

GME71 Gallon (4/case)

CME71 5 Gallon

B. S-L-X Denatured Alcohol

- Great thinner for shellac
- Cleans glass, metal and color-safe fabrics

QSL26 Quart (6/case)

GSL26 Gallon (4/case)

CSL26 5 Gallon

DSL26 55 Gallon Drum

C. Toluene (Toluol)

- Thins synthetic enamels, anti-rust coatings, rubber cement and mastics
- Dries quickly
- Superior cleaner

GTO42 Gallon (4/case)

CTO42 5 Gallon

D. VM&P Naphtha

- 100% pure
- Fast-drying replacement for paint thinner
- Thins rubber cement, adhesives, and oil-based paints

QVM46 Quart (6/case)

GVM46 Gallon (4/case)

CVM46 5 Gallon

E. Xylene (Xylol)

- Slower evaporation rate than toluene
- Thins synthetic enamels, anti-rust coatings, rubber cement and mastics

QXY24 Quart (6/case)

GXY24 Gallon (4/case)

CXY24 5 Gallon

Fuels/ Accessories

Tools & Accessories

A. Kerosene (Metal)

- 1-K Grade
- Clean burning fuel for heaters and stoves
- Mild odor

GKE83 Gallon (4/case)

CKE83 5 Gallon

B. Kerosene (Plastic)

GKP85 1 Gallon (4/case)

E08331 2.5 Gallon (2/case)

C. S-L-X Denatured Alcohol

- Fuel for marine stoves

OSL26 Quart (6/case)

GSL26 Gallon (4/case)

CSL26 5 Gallon

DSL26 55 Gallon Drum

D. Stripping Tool

- Synthetic tool will not scratch or gouge surface

YST201 Display (24/case)

E. Tack Cloth

- Removes dust, lint and sanding residue before the application of a new finish

Y16000 Each (36/case)
