

3M™ Purple Abrasives  
with Hookit™ attachment

# Turn to the

# Power of Purple.

- Take abrasive performance to the next level
- Deliver uniform, consistent finishes every time
- Use 3M™ Hookit™ attachment system for easy reuse

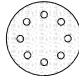

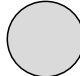

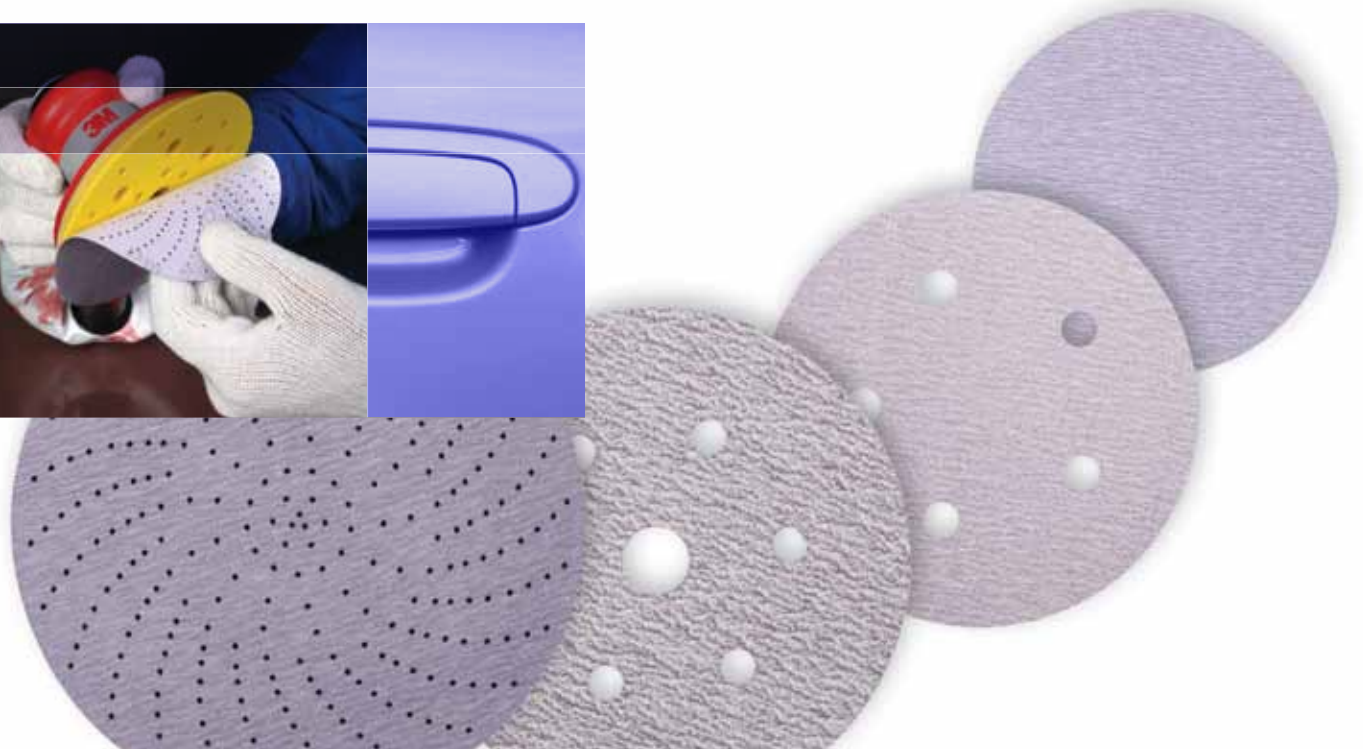

# Power-Up Your Profit Potential with the Power of Purple

3M™ Purple abrasives are 3M's best performing class of abrasives. Power packed with 3M innovation these discs sand faster to improve technician productivity and reduce cycle time. The consistent finish you can count on, results in higher-quality repairs reducing rework. These long-lasting abrasives reduce material consumption. The reusable 3M™ Hookit™ attachment system allows technicians to utilize the entire life of the disc, resulting in less shop waste.

## Dent Repair and Paint Removal

E-weight backing and unique premium mineral blend make these products extremely durable. Open coat resists loading when sanding fresh body filler. Products are available in no-hole or dust free configurations to maximize productivity. 3M™ Hookit™ attachment system for easy reuse.
