

# U-POL®

**NEW AND  
IMPROVED**

## GRAVITEX PLUS®

**VOC Compliant Anti-Stone Chip Protector**

**Fast and effective high build, HS coating designed to reproduce the manufacturer's original stone-chip finish**

- Fast drying formula – now with even faster flash off times!
- Protects against stone chips, salt, damp and rust
- Deadens sounds and vibrations
- Suitable for wet on wet top coat application with most base coat paint systems
- Direct to metal application on bare metal, galvanized or zinc coated (ACID#™ Etch Primer required over aluminum)
