Applications: Recommended for use by hand to increase surface gloss and to clean up spatter or residue after machine glazing all types of refinish or factory-applied automotive paints. To minimize the possibility of staining, do not apply in direct sunlight or onto a hot surface.

Directions For Use:

1. Shake container well before using.
2. Apply to a clean, soft, dry cloth and spread uniformly over paint surface.
3. Wipe off with a clean, soft, dry cloth and polish by hand to a high luster. Turn cloth at regular intervals.
