

Magic Disc

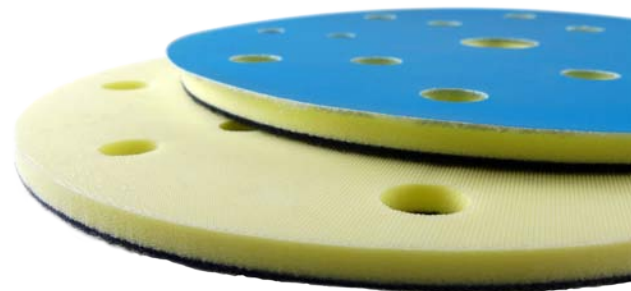

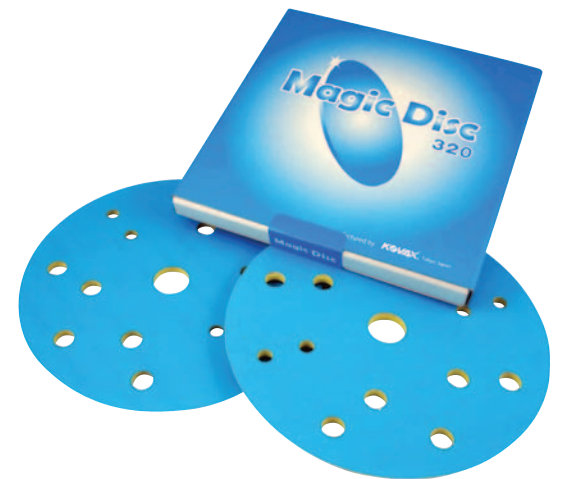

Specialty developed sanding disc for tough OEM E-coat primers and very hard matte clearcoat sanding.

The Super-Tack film backing Magic Disc utilizes top quality diamond abrasive grain and next generation anti-clogging technology, providing an unbelievably long sanding life.

With its high performance cutting speed, Magic Disc is ideal for sanding on all types of very hard coating surfaces while still maintaining its uniform finish.

- Sanding Tough OEM E-Coats
- Scuffing Very Hard Matte Clearcoats
- Diamond Abrasive Grain
- Long Sanding Life
- Uniform Finish
